

SC-1000

UNIVERSAL SELF-SERVICE SOLUTION

The SC-1000 from Havis is a family of universal self-checkout, self-service and point of sale (POS) mounting solutions that allow retailers to bring their own technology. Maximize the use of existing POS devices and cater to demand with the option to convert from a Self-Checkout to an Associate POS Station. Available in Countertop or Floor/Pedestal, SC-1000 products provide versatile, future-proof solutions which are simple and elegant.

- Ideal for POS, Self-Checkout, Order Entry, Endless Aisle, Price Verification, Time-Clock Applications, Fitting Rooms and more
- Simple-to-service, versatile and universal design
- Maximize device investments and increase sales by offering attended and non-attended checkout options using the Countertop Swivel Base (180° swivel) version
- Device-agnostic - compatible with VESA 75/100mm displays up to 24" and any printer up to 6.3" W x 8.9" D x 7.5" H
- Monitor tilt and display flip features provide superior ergonomics and versatility and make it easy to change out printer paper
- Adjustable height feature allows display to be mounted at the ideal position at time of install
- Universal Payment Mounting options using FlexiPole Backplates future-proof your investment
- Scanner Mounting options available
- Locally manufactured for shorter lead times and easy customization
